From the Desk of Directors

First and foremost, we would like to express our gratitude to Almighty God, who has given us the pious thought and strength to start not just an ordinary institute, However a Gurukul for students.

We would also like to thank the parents of our existing students who motivated and supported us in this startup.

Our faculty and management members have been working in the education industry for decades. Now, we have decided to work as a team for the betterment of students. With a clear vision and sincere efforts, we will work hard to provide quality education to our students.

We accept that Education is not just about clearing an examination; it is about building a strong foundation for life. At our institute, we are committed to nurturing young minds with conceptual clarity, disciplined study habits, and the confidence required to excel in highly competitive examinations like IIT-JEE and NEET. We welcome you to join us in this journey of hard work, integrity, and achievement.

**Best wishes for a
bright and successful future.**

COURSE OFFERED

ARYABHATT BATCH

for VIII to IX Moving Students

This course is the first step towards achieving success in IIT/NEET/ Olympiads CUET/CLAT/NDA & other entrance exam. During this course we will cover both the subjective and objective aspect of each chapter for the students. It has been observed over the year that Students who started their Preparation from Class IX have performed best in Under Graduation level exams.

TAGORE BATCH

for IX to X Moving Students

This course is the best option for the students preparing for competitive exam as well as for CBSE/RBSE boards. During this course we prepare students for both board and competitive exams through classroom teaching, extra classes, night camps and subjective & objective tests.

NEWTON BATCH

for X to XI Moving Students

This course is the best option for the students who dream of getting admission to reputed colleges in country by achieving success in JEE (Mains & Advance) / NEET exams. During this course alongwith their regular schooling we prepare students throughly for every topic in each subject like Physics, Chemistry, Math, Biology for NEET & JEE Exams.

KALAM BATCH

for XI to XII Moving Students

This course is a unique option for securing excellent marks in the 12th boards (CBSE/RBSE) exams & confirming your seat in IIT, NIT, IIIT & Medical Colleges. During this course completion of 12th Syllabus timely, regular revision, frequent subjective & objective test & timely practical exam all are part of our result oriented strategy. To ensuring that students are well prepared for the January attempt for JEE Mains & the upcoming Engineering & Medical Entrance Exams that follow immediately after the board exams.
